RETAIL FOOD PROTECTION - Public Eating PI (25-99 Seats)

Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

16K994 Reinspection

Compliance Date: Not Specified

Not In Compliance

Reference - HSC

Inspector Comments: On 6/7/2019, an investigation was conducted due to a complaint received by Environmental Health Services San Bernardino County.

The following observation(s)/finding(s) were made on 6/7/2019:

- Evidence of rodent infestation.
- Rodent droppings on floor below soda syrups.
- Rodent droppings on 2 plastic bags filled with about 30 hamburger buns.
- Bag of hamburger buns with holes (gnaw marks).

Result(s):

Facility closure due to evidence of rodent infestation.

On this date, a follow-up inspection was conducted to determine compliance regarding the above violations:

Observation(s)/Finding(s):

- The General Manager stated the following:
 - Pest control services were provided in May; receipt of services was not available upon request.
 - Most recent pest control services was provided on June 7, 2019; receipt of services was not available upon request.
 - Pest control services will be provided today.
- Observed the following:
 - No evidence of a rodent infestation.
 - No evidence of rodent droppings anywhere in the facility. Dry storage areas, food storage areas, under/below equipment were inspected.
 - No rodent droppings or gnaw marks on food. All food storage areas were inspected.

Result(s):

The facility was reopened and the permit to operate was reinstated on this date.

Description: Reinspection conducted at this time to determine compliance from prior inspection.

Overall Inspection Comments

The facility was reopened and the permit to operate was reinstated on this date.
