RETAIL FOOD PROTECTION - Public Eating PI (0-24 Seats)

Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

16K999 Complaint Inspection

Compliance Date: Not Specified

Inspector Comments: A complaint inspection was conducted on this date in response to a complaint received by Environmental Health Services.

Reference - HSC

Nature of complaint:
The complainant alleged that the facility does not have any AC.

Findings:

- Person in charge was not aware of the complaint
- Person in charge stated that they use several fans and the swap cooler during the day and that they will be constructing a new facility to be open early September

Observed the following:

- Observed swap cooler to be on and blowing air during the time of inspection
- Observed the air curtain at the back door and two front service windows to be on and working
- No adulterated food was observed

No further action is required at this time. The complaint is closed.

Description: A complaint report has been received by Environmental Health.

Overall Inspection Comments

No summary comments have been made for this inspection.
