RETAIL FOOD PROTECTION - Public Eating PI (0-24 Seats)

Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

16K992 Permit Reinstatement

Compliance Date: Not Specified

Not In Compliance

Reference - HSC

Inspector Comments: The permit is reinstated on this date and the facility may resume food operations.

Description: The health permit to operate is hereby reinstated and facility may open.

16K994 Reinspection

Compliance Date: Not Specified

Not In Compliance

Reference - HSC

Inspector Comments: A follow up inspection was conducted on this date to verify compliance of no vermin in the facility.

Observed no live or dead cockroaches in the facility.

Observed a pest control invoice dated 9/3/21 stating that the facility was serviced and that a follow up service will be conducted in one (1) week.

Upon questioning, the manager stated that they cleaned and sanitized the affected areas as well as other food and non food contact surfaces in the facility.

Observed food and non food contact surfaces, floors, walls, and ceilings clean at the time of the follow up inspection.

Ensure to continue to take appropriate steps to maintain facility free from all vermin and vermin activity. A follow up inspection will be conducted in one (1) week to verify continued compliance and ensure that the facility is completely free of all signs of vermin. If any evidence of vermin is observed, the facility may face closure and permit suspension. A billable re-inspection will occur if any signs of vermin activity are observed.

Description: Reinspection conducted at this time to determine compliance from prior inspection.

Overall Inspection Comments

A follow up inspection was conducted on this date to verify compliance of no vermin in the facility.

The permit is reinstated on this date.

A follow up inspection will be conducted in one (1) week to verify continued compliance and ensure that the facility is completely free of all signs of vermin.
