### RETAIL FOOD PROTECTION - Public Eating PI (100-Up Seats)

Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

#### 16K997 Foodborne Illness Complaint Inspection

Compliance Date: Not Specified

**Inspector Comments:** The purpose of the visit is to conduct a complaint investigation. The complaint was received by Division of Environmental Health Services (EHS) on 3/14/2022 via online portal.

Reference - HSC

Nature of complaint:

The food is undercooked. He/she has eaten here and got sick instantly. He/she alleged vomiting after consuming a meal. The glassware is dirty, and the restroom is unclean.

Information not obtained from the complainant:

1. Type of food eaten at the facility
2. Day, date, and time eaten
3. Symptom resolution status
4. Medical attention sought
5. Other people associated with complainant who have similar symptoms after eating at the facility

The manager was interviewed and stated the following:

1. There is no new employee that has recently been hired in the last two weeks.
2. He was not aware of any recent power outages or any recent loss of hot water in this facility.
3. The facility has not received similar foodborne illness complaints.

Multiple violations were observed on this date and noted on the report.

Note: A routine inspection was conducted on this date and a "C" grade card was posted.

Outcome:

A rescore grade inspection is required.

Facilities receiving less than a "B" rating are required to have a re-score inspection within 30 days of the initial inspection. The inspection will result in additional charges to the facility.

Note: There is no guarantee that a higher score or grade will be received when receiving a re-score inspection.

Submit the rescore inspection form before 4/8/2022 to ensure the rescore grade inspection is conducted within 30-days.

Following handouts were provided:

1. 5 CDC risk factors
2. State Food Safety simplify your inspection
3. Request for a rescore inspection.

P.E.P. talk video was provided.

**Description:** A foodborne illness complaint report has been received by Environmental Health.
