Reference - HSC

Inspector Comments: A complaint has been received by environmental health services stating that the facility has non-functioning toilet facilities, and are using port-a-potties as an alternative. Per complainant port-a-potties are not being maintained.

Description: A complaint report has been received by Environmental Health.

Overall Inspection Comments

Explained nature of complaint to operator Kristie. Operator was aware of the complaint. Per operator port-a-potties are being pumped on Monday, Thursday, and Saturday. Operator will be providing copies of invoices to this department to demonstrate that port-a-potties are being maintained. Per operator employees are using the restroom at facility. There is sufficient water to accommodate employees, but not the transient population.

Observations:

Observed port-a-potties are being maintained.

Observed that dining- in seating at facility is not being used and only take out is being provided.

Complaint closed.
