### RETAIL FOOD PROTECTION - Public Eating PI (100-Up Seats)

#### 16K999 Complaint Inspection

Compliance Date: Not Specified

Not In Compliance

Reference - HSC

**Inspector Comments:** Complaint received by EHS stated that while eating lunch at the facility found ants in the food and that the tables were sticky and dirty.

During complaint inspection, observed no ants at facility; chairs and tables appeared to be clean. Person in charge stated that they'd had some issues with ants approximately 1 week ago but had not had any issues since. Person in charge was not aware of any complaints made at facility regarding any insects in food. A pest control service was called to conduct a service for issue; food service employee stated that ants appeared at wall near walk-in cooler of facility, but since treatment, had not seen any ants. Was unable to verify documentation of service provided.

Facility manager/operator is required to provide documentation of service provided for pest elimination within 1 week to inspector at [sierra.clayborn@dph.sbcounty.gov](mailto:sierra.clayborn@dph.sbcounty.gov).

**Description:** A complaint report has been received by Environmental Health.
