Reference - HSC

**Inspector Comments:** The purpose of this visit is to conduct a re-inspection on the request of the operator.

On Friday, August 30, 2019, this facility was closed due to a live cockroach infestation throughout the kitchen area.

On this date, observed approximately one (1) live adult cockroach near the floor drain area below the bread table and one (1) live nymph cockroach in the dishpit area. Operator stated that pest control service was conducted in the morning on this date. Operator also stated that pest control is scheduled to service and treat facility once a week and once a month to conduct a "fogging" service. Observed pest control service invoices dated on 8/30, 8/31, and 9/3/2019.

Per supervisor approval, facility may remain open on this date. A billable re-inspection will be conducted on Wednesday, 9/4/2019. If any activity is found during the billable re-inspection, further administrative action may occur and facility health permit may be suspended until all vermin activity (dead or alive) is completely eliminated from facility.

See the rest of report for detailed observations.

**Description:** The health permit to operate is hereby reinstated and facility may open.

#### 16C023 No rodents, insects, birds, or animals

Compliance Date: Not Specified

Violation Reference - HSC - 114259.1,  
114259.4, 11425

**Inspector Comments:** Observed approximately one (1) live adult cockroach near the floor drain area below the bread table and one (1) live nymph cockroach in the dishpit area.

Eliminate all vermin including but not limited to cockroaches from facility. Ensure to clean and sanitize all affected areas of facility.

**Violation Description:** Food facility shall be kept free of vermin: rodents (rats, mice), cockroaches, flies. (114259.1, 114259.4, 114259.5) Live animals are not allowed in a food facility unless, food employees with service animals may handle or care for their service animal if they wash their hands as required or persons who are licensed pursuant to Chapter 11.5 of Division 3 of the Business and Professions Code. (114259.4, 114259.5)

#### Overall Inspection Comments

Per supervisor approval, facility may remain open on this date.

A billable re-inspection will be conducted on Wednesday, 9/4/2019, to ensure that there is no live cockroach infestation in all areas of the facility. Facility shall ensure that all alive and dead vermin, including but not limited to cockroaches, is completely eliminated from facility so that the health permit to operate is re-instated and that facility may re-open to the public.
