Inspector Comments: A complaint was received by this agency for New China Buffet regarding hair in the food and dirty high chairs for children. After speaking to the operator, Amanda Ou stated that she had received a complaint from a customer on Wednesday that there was hair in the food and it was a long hair; however, none of the cooks have long hair, and that the high chairs appeared to be dirty. During the complaint inspection a routine inspection was also conducted and I observed no evidence of hair in the food. However, the high chairs were dirty and full of debris. I instructed the employees to clean and sanitize high chairs.

Description: A complaint report has been received by Environmental Health.
