RETAIL FOOD PROTECTION - Public Eating PI (25-99 Seats)

Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice,

See the following pages for the code sections and general requirements that correspond to each violation listed below.

16K995 Permit - Suspension

Compliance Date: Not Specified

Not In Compliance

Violation Reference - HSC

Inspector Comments: Permit remains temporarily suspended due to an active cockroach infestation.

- Remove/eliminate all evidence of the cockroaches using an approved method of pest control as soon as possible.
- Seal all gaps/crevices in the facility
- Clean and sanitize the affected areas.

Notice of closure sign remains on the door and can only be removed by a member of Environmental Health upon re-inspection. If corrections have not been fixed at time of requested re-inspection, a billable re-inspection will occur.

Violation Description: Violation(s) observed pose an immediate threat to public health and safety and the health permit to operate is hereby suspended and ordered closed until the listed violation(s) have been corrected and verified by DEHS. Facility is to remain closed until permission from DEHS is given. Contact your inspector at your local office to schedule a reinspection to reinstate the health permit. Posted closed, do not move, hide, or remove sign.

16K994 Reinspection

Compliance Date: Not Specified

Not In Compliance

Reference - HSC

Inspector Comments: A follow up inspection was conducted on this date to verify compliance of violations of vermin noted on complaint inspection conducted on 5/17/22.

Findings:

- Person in charge was able to show proof of pest control invoices
- Facility has been treated and employees have cleaned and sanitized affected areas

Observed the following:

- Observed pest control invoices, person in charge stated they had treated earlier in the day prior to time of inspection
- Three (3) nymph cockroaches were observed during the time of follow up inspection near the cooking line and dry storage area

Based on observations, facility is not free of vermin infestation. Ensure all evidence of cockroach activity is eliminated from the facility prior to reopening. The facility must remain closed for at least 24 hours prior to reopening. Permit will remain suspended at this time.

Call Environmental Health Services at (800) 442-2283 for a reinspection prior to reopening the facility.

Description: Reinspection conducted at this time to determine compliance from prior inspection.

Overall Inspection Comments

No summary comments have been made for this inspection.
