Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

16K994 Reinspection

Compliance Date: Not Specified

Not In Compliance

Reference - HSC

Inspector Comments: This reinspection was intended to verify that plumbing issues identified during a routine inspection conducted on December 18, 2020 have been corrected.

Observations:

Observed that the violations in question have not been corrected. The person in charge stated that the plumbing work, originally planned for December 19, 2020, had to be rescheduled for the evening of December 21, 2020.

Please be aware that future reinspections to verify correction of this violation will be billable at the department's hourly rate.

Description: Reinspection conducted at this time to determine compliance from prior inspection.
