16K996 Attempted Inspection

Compliance Date: Not Specified **Inspector Comments:** During previous attempt, it was noted that facility was out of business and that blue form be completed based on the fact that the business name in the front of the building was "George White Senior Center" as opposed to the name on record which is ""Family Services Association". However, after receiving the report, owner replied and said that they are still in business. Today attempted to conduct routine inspection, but facility was close for the day. Another inspection will be attempted at a later date.

Description: An inspection was attempted today. Another inspection will be attempted at a later date.
