Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

16K994 Reinspection

Compliance Date: Not Specified

Not In Compliance

Reference - HSC

Inspector Comments: On 11/25/2020 this facility was closed due to an imminent health hazard- roach infestation. Live german roached of all life stages were found below the three compartment sink. Several dead roaches were observed inside the ice machine near motor.

Facility was approved to reopen via phone after verification of pest control treatment was observed and verify. Person in charge stated ice machine had also been cleaned out.

On this date the letter grade "A" was posted.

Two dead roaches were observed below the three compartment sink.

Another reinspection will be conducted one week from routine inspection.

Facility must be free of vermin and vermin evidence. Failure to comply will result in a billable inspection or closure.

Description: Reinspection conducted at this time to determine compliance from prior inspection.

Overall Inspection Comments

Letter grade "A" posted on this date.
