## CAL CODE OFFICIAL INSPECTION REPORT

FACILITY NAME EL TORO	DATE 12/9/2021
LOCATION 380 E FOOTHILL BL, RIALTO, CA 92376	INSPECTOR Vanessa Salcedo

### IMPORTANT: Risk Based Inspection Frequency

Food facilities that pose a higher risk level for causing foodborne illness will be subject to an additional inspection, to be billed at the hourly rate as provided in the San Bernardino County Code [Schedule of Fees](#). Facilities that received one or more of the following will be elevated to a high risk tier:

- A score letter of "C" or lower on one of the last two graded inspections,
- A score letter of "B" on two of the last three graded inspections,
- Repeated "four (4) point violation Risk Factor" (critical violation codes 1-23) on the last two inspections, or
- Four (4) or more critical violations (codes 1-23) noted during an inspection, or
- A permit suspension (closure) on your last graded inspection.

### Food Establishment Donor Survey

Will you please take a few moments of your time to complete our [Food Establishment Donor Survey](#)? The purpose of this survey is to learn about current food recovery and food waste reduction efforts and struggles throughout San Bernardino County.

The feedback from the survey will help us identify barriers and opportunities, and connect you with nearby charitable feeding organizations so you can donate your surplus food. Once you complete the survey, you can view your entry and connect with other donor food establishments and charitable feeding organizations in the following [Live Web Map](#).

### Overall Inspection Comments

On this date a "B" grade card was posted. For a B grade (score of 80 to 89) A re-score inspection may be requested by a food facility who receives a "B" grade after the completion of an official routine inspection. This request is optional on the part of the facility which may wish to try to improve their score or letter grade. The Health Official will complete the re-score inspection within ten (10) County business days of the food facility submitting a request for a re-score inspection. The inspection rate is \$245.00 per hour. A minimum of \$122.50 will be charged for the first 30 minutes of inspection time. A Letter Grade Card shall remain valid until the Health Official completes the next routine inspection or re-score inspection of the food facility. A re-score inspection is a new, unscheduled, complete routine inspection that a) may be required by County Ordinance; or b) may be requested by the food facility.

A re-score form and a food handler card form was provided.
