Inspector Comments: PURPOSE:

A 3rd re-inspection investigation was conducted on this date in response to:

114259. A food facility shall at all times be constructed, equipped, maintained, and operated as to prevent the entrance and harborage of animals, birds, and vermin, including, but not limited to, rodents and insects.

114259.1. The premises of each food facility shall be kept free of vermin.

114381. (a) A food facility shall not be open for business without a valid permit.

114405. (a) A permit may be suspended or revoked by a local enforcement officer for a violation of this part.

Any food facility or cottage food operation for which the permit has been suspended shall close and remain closed until the permit has been reinstated. Any food facility or cottage food operation for which the permit has been revoked shall close and remain closed until a new permit has been issued.

OBSERVATION:

A routine inspection was conducted at the same time as this re-inspection and should be referenced to for violations. Observed no active vermin activity during this time.

OUTCOME:

No further action is warranted at this time.

Description: Reinspection conducted at this time to determine compliance from prior inspection.

Overall Inspection Comments

No Further Action Required.
