Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

16K997 Foodborne Illness Complaint Inspection

Compliance Date: Not Specified
Not In Compliance
Reference - HSC

Inspector Comments: Environmental Health received a complaint about an alleged foodborne illness and that the requester became ill after consuming chicken, noodles and nuggets. Also was stated that they soda machine had mold on it and that there were buckets of dirty water near the buffet line.

Observations as follows:

Explained nature of complaint to owner on site at time of inspection.

Questioned owner if any employees have been ill or reported to work ill. Per manager on site, no employees have been or reported to work ill.

Facility has not had any changes in food suppliers, food processing procedures or has modified ingredients.

Facility has not experience any failures in equipment, power, water or had any waste water or sewage overflows.

Observed hot water exceeding 130F degrees throughout the facility.

Observed employees able to demonstrate knowledge in proper cooking temperatures, hot and cold holding temperatures, proper cooling procedures, proper reheating, proper sanitizing and warewashing procedures.

Observed cold holding temperatures at 41F and below.

Observed hot holding temperatures at 135F and above.

Observed chlorine sanitizer at 100ppm in all sanitizer buckets.

Observed soda machine cleaned.

Observed a bucket of water by the hot tea/buffet line. Per owner, the bucket of water is used for customers to discharge their hot water into it or they will dump it onto the floor. Owner also stated that they discard the water bucket when needed on a routine basis.

Complaint closed.

Description: A foodborne illness complaint report has been received by Environmental Health.
