**Inspector Comments:** During the last routine inspection several flies were observed throughout the facility landing on people and also single use articles. During the last inspection the floor sink outside of the walk-in freezer was observed not properly draining and the drive-thru window was observed not self-closing.

Observed no flies in the facility during the re-score inspection. Observed the floor drain has been repaired and is properly draining. Observed the drive-thru service window is scheduled for repair.

Inspector will follow up on the service window within three weeks to ensure that service window is repaired.

**Description:** Reinspection conducted at this time to determine compliance from prior inspection.

**Overall Inspection Comments**

No summary comments have been made for this inspection.
