RETAIL FOOD PROTECTION - Public Eating PI (25-99 Seats)

Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

16K992 Permit Reinstatement

Compliance Date: Not Specified

Not In Compliance

Reference - HSC

Inspector Comments: The clogged floor sink in the employee hand washing sink, in the food prep sink, and in the mop sink area has been unclogged and it drains freely at the time of inspection. One of the public restrooms with clogged drain has been repaired and drains freely at the time of inspection. Both public restrooms are functioning properly at the time of inspection. Therefore, the permit that was suspended on 1/30/19 is hereby re-instated and the facility can now re-open for for business.

Note: Replaced the closed sign posted yesterday with the A grade placard that was issued on 12/21/18.

Description: The health permit to operate is hereby reinstated and facility may open.
