16K999 Complaint Inspection

Compliance Date: Not Specified

Not In Compliance

Reference - HSC

Inspector Comments:

A complaint was received by DEHS. An inspection was conducted today on 7/23/15.

Complainant states that restrooms do not have toilet paper, soap, and toilet seat covers. Complainant also states that there are rat traps at the back of facility.

Upon inspection, manager on duty was not aware of complaint.

Complaint was addressed and both men's and women's restrooms were inspected. Employees share the public restroom.

Ensure to provide toilet paper (dispensed in a permanently installed dispenser) as well as hand washing stations that provide hot water of at least 100F, soap, and paper towels or an automatic hand dryer.

Women's restroom was observed stocked with toilet paper, soap and an automatic hand dryer.

Refer to violation code below for observations of men's restroom.

Rodent traps found in the back exterior of the facility are placed by a professional pest control as a preventative measure for rodent control.

Observed no signs of rodent activity.

Description: A complaint report has been received by Environmental Health.

16K043 Toilet facilities: properly constructed, supplied, cleaned
