Inspector Comments: A follow up inspection was conducted to verify compliance with the removal of sinks, refrigerators and food storage rack in the kitchen area. Observed all items still in the kitchen. Observed concrete counters and exposed wooden walls underneath the counter tops in the food service area. Ensure to remove all equipment from the facility or submit plans to plan check for approval. A billable re-inspection will be conducted to verify compliance. Failure to comply will result in another billable re-inspection and possible legal action.

Description: Reinspection conducted at this time to determine compliance from prior inspection.
