RETAIL FOOD PROTECTION - Public Eating PI (0-24 Seats)

Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

16K992 Permit Reinstatement

Compliance Date: Not Specified
Not In Compliance
Reference - HSC

Inspector Comments: The health permit for this facility was suspended on 08-03-18 due to an infestation of cockroaches in the kitchen facility. This re-inspection was requested by the operator. The operator has attended a supervisory review and has produced professional exterminator receipts that showed this facility has been treated for cockroaches on 08-06-2018. The health permit to operate this facility is hereby reinstated this date. Continue to operate this kitchen facility free from vermin- including but not limited to cockroaches.

Description: The health permit to operate is hereby reinstated and facility may open.

16K994 Reinspection

Compliance Date: Not Specified
Not In Compliance
Reference - HSC

Inspector Comments: The purpose of this inspection is to conduct a follow up/permit reinstatement, the following was concluded on the last inspection conducted on 8-3-18:

"The following was observed on this day: -Five (5)+ live nymph roaches located in the far left side of the front kitchen area underneath the three compartment sink electrical tile port.
-One(1) dead nymph roach on the wall underneath the three compartment sink.
Ensure facility is kept free from vermin activity, person in charge was instructed to contact pest control immediately to rid of vermin. Entire kitchen was inspected for vermin activity, area underneath the three compartment sink was observed to have live activity. Person in charge stated they were unaware of the issue. Pest control receipt from February 1,2018, no summary of findings were observed, no current receipts observed. A thorough inspection was conducted and has been concluded the facility will be closed until vermin activity is properly handled. Person in charge was instructed to immediately contact pest control, detailed receipts of findings are expected upon re-inspection. Cleaning of the entire kitchen facility expected upon re-inspection, supervisory review will be scheduled prior to re-opening."

Current pest control receipts were provided upon request with detail of findings. Person in charge was advised to continue receiving pest control services once per month for the first six(6) months and as needed after a six month period.

Upon completion of supervisory review and a thorough inspection, it has been concluded that the facility is now ready for re-opening.

Description: Reinspection conducted at this time to determine compliance from prior inspection.

16K023 No rodents, insects, birds, or animals

Compliance Date: Not Specified
Not In Compliance
Violation Reference - HSC - 114259.1,
114259.4, 11425

Inspector Comments: Observed the following upon inspection:
-Two(2) dead nymf roached in the cabinet below the hot holding table.
- One dead(1) nymf roach adjacent to reach in freezer across from three compartment sink.

Food facility shall be kept free of vermin: rodents (rats, mice), cockroaches, flies. Live animals are not allowed in a food facility except as specified in Section 114259.5. Food employees with service animals may handle or care for their service animal if they wash their hands as required. Dogs under the control of uniformed law enforcement or private operators who are licensed pursuant to Chapter 11.5 of Division 3 of the Business and Professions Code are exempt.

Corrected on site. Affected areas were swept and sanitized.
