Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

16K992 Permit Reinstatement

Compliance Date: Not Specified **Inspector Comments:** Permit is reinstated and facility may reopen.
Not In Compliance
Reference - HSC

Description: The health permit to operate is hereby reinstated and facility may open.

16K994 Reinspection

Compliance Date: Not Specified **Inspector Comments:** A reinspection was conducted on this day to verify compliance regarding cockroach infestation. During the routine inspection conducted on 3/22/2022, observed four (4) live cockroaches under the preparation sink area and approximately six (6) old rodent droppings in a cabinet across from the serving line.
Not In Compliance
Reference - HSC

On this day, observed no cockroaches or rodent droppings throughout the facility. All areas of previous cockroach sightings and rodent droppings were cleaned and sanitized. Holes through out the facility were sealed.
 Pest control report observed from Sorge Pest Control on 3/23/2022 which noted cockroach activity was observed along cooks line.

Maintain the facility free from vermin at all times. Ensure any gaps in the walls/ceiling are sealed to prevent vermin and rodent harborage.
 Facility may reopen and permit is reinstated.

Billable reinspection will be conducted on 03/29/22 to verify facility remains free of cockroaches, rodents, and other vermin.

Description: Reinspection conducted at this time to determine compliance from prior inspection.
