Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

16K994 Reinspection

Compliance Date: Not Specified

Not In Compliance

Reference - HSC

Inspector Comments: A reinspection was conducted on this date to verify that the facility does not have an active cockroach infestation. During the routine inspection conducted on 03/12/2020, 6 dead German cockroaches were observed in the rear employee area underneath the mop sink, water heater, and fountain soda syrup dispenser lines. At this time, the facility has taken appropriate measures to properly clean and sanitize all areas where past vermin activity was observed. The facility has properly eliminated all evidence of past vermin activity and no cockroaches were observed at time of reinspection. The manager stated the facility has an active professional pest control service that is used to prevent vermin from entering the premises. At this time, no further action is necessary as no vermin activity was observed.

Description: Reinspection conducted at this time to determine compliance from prior inspection.
