RETAIL FOOD PROTECTION - Public Eating PI (100-Up Seats)

Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

16K995 Permit - Suspension

Compliance Date: Not Specified

Not In Compliance

Violation Reference - HSC

Inspector Comments: The health permit to this facility was suspended this date due to a live cockroach infestation that was observed in the kitchen and bar facility. Several live adult and nymph cockroaches were observed in critical areas throughout kitchen facility. This facility was currently operating at the time of this inspection. Call this office when you are ready to re-open and re-inspection will be conducted to determine compliance. A supervisory review is scheduled on 12/28/2018 at 9:00 am in the Rancho office located at 8575 Haven Avenue, suite 130, Rancho Cucamonga, CA 91730. This facility must remain closed for business until a re-inspection is conducted and the health permit to operate this facility is reinstated by a representative of this agency.

Violation Description: Violation(s) observed pose an immediate threat to public health and safety and the health permit to operate is hereby suspended and ordered closed until the listed violation(s) have been corrected and verified by DEHS. Facility is to remain closed until permission from DEHS is given. Contact your inspector at your local office to schedule a reinspection to reinstate the health permit. Posted closed, do not move, hide, or remove sign.

16K999 Complaint Inspection

Compliance Date: Not Specified

Reference - HSC

Inspector Comments: The purpose of this visit is to conduct a complaint investigation (CO0064384). Nature of complaint:

Complainant stated live cockroaches were seen crawling in the dining room table.

FINDINGS:

On this date, after a thorough inspection of the entire kitchen facility, live cockroach activity was observed in the following critical areas:

- 1) Observed one dying adult cockroach and a dead cockroach on the floor below the food preparation sink.
- 2) Observed numerous live adult and nymph cockroaches on the cracks/ crevices below the front stainless steel wall shelf in the front kitchen preparation area.
- 3) Observed a live adult cockroach crawl from the wall into a broken cove base tile behind the reach-in refrigeration units at the cooks line.
- 4) Observed a live adult cockroach in the corner of the stainless steel wall shelf located above the pizza preparation area.
- 5) Observed three dying cockroaches on the floor at the bar area.

-In addition, several dead cockroaches were observed throughout the kitchen and bar facility floors and storage areas. Eliminate all vermin and evidence of vermin from this facility including but not limited to cockroaches. Clean and sanitize all affected areas and seal any openings that can harbor vermin.

Note-The Health Permit was suspended this date due to the cockroach infestation in this food facility.

Description: A complaint report has been received by Environmental Health.

16K023 No rodents, insects, birds, or animals

Compliance Date: Not Specified

Not In Compliance

Violation Reference - HSC - 114259.1, 114259.4, 11425

Inspector Comments: Live adult and nymph cockroaches were observed in critical areas throughout the kitchen facility. In addition several dead cockroaches were observed throughout the floors in kitchen and storage shelving areas.

Eliminate all vermin and evidence of vermin from this facility including but not limited to cockroaches.

The operator produced receipts that showed a professional exterminator serviced this facility within the last two (2) weeks and he stated that this facility is serviced monthly. The operator stated that he would call the exterminator for an immediate service because of the discovery of live cockroaches in the kitchen on this date.

Violation Description: Food facility shall be kept free of vermin: rodents (rats, mice), cockroaches, flies. (114259.1, 114259.4, 114259.5) Live animals are not allowed in a food facility unless, food employees with service animals may handle or care for their service animal if they wash their hands as required or persons who are licensed pursuant to Chapter 11.5 of Division 3 of the Business and Professions Code. (114259.4, 114259.5)
