16K999 Complaint Inspection

Compliance Date: Not Specified

Not In Compliance

Reference - HSC

Inspector Comments: Environmental health received a complaint that it was observed facility washes the lettuce using bleach.

Did not observe facility preparing/washing lettuce with bleach at time of inspection.

Questioned employees about procedures of how they wash vegetables. Per one employee, it was stated that employees do use a cap full of bleach in the water to wash the lettuce. Immediately discontinue the use of this practice.

Description: A complaint report has been received by Environmental Health.
