RETAIL FOOD PROTECTION - Public Eating PI (0-24 Seats)

Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

16K992 Permit Reinstatement

Compliance Date: Not Specified
Not In Compliance
Reference - HSC

Inspector Comments: Permit is reinstated and facility may reopen.

Description: The health permit to operate is hereby reinstated and facility may open.

16K994 Reinspection

Compliance Date: Not Specified
Not In Compliance
Reference - HSC

Inspector Comments: A reinspection was conducted on this day to verify compliance regarding a cockroach infestation. During the one week follow up inspection conducted on 3/29/2022, two (2) live nymph cockroaches were observed. One above the preparation sink and another on the soda fountain.

On this day, no cockroaches were observed throughout the facility. All areas of previous cockroach sightings were cleaned and sanitized.

Pest control report from Sorge Pest Control on 3/30/2022 noted mild cockroach activity was observed near preparation sink.
Pest control report from Sorge Pest Control on 3/31/2022 noted the facility was spot treated due to persistent cockroach activity.

Maintain the facility free from vermin at all times. Ensure any gaps in the walls/ceiling are sealed to prevent vermin and rodent harborage.
Facility may reopen and permit is reinstated.
Billable reinspection will be conducted on 04/07/22 to verify facility remains free of cockroaches, rodents, and other vermin.

Description: Reinspection conducted at this time to determine compliance from prior inspection.

Overall Inspection Comments

Facility is reopened.

FREE Classes to L.E.A.R.N!

Liaison Education And Risk Network (L.E.A.R.N.) is a FREE class based on the fundamentals of Active Managerial Control and the Centers for Disease Control and Prevention's five risk factors that lead to foodborne illnesses. Find out when the next L.E.A.R.N. class is by checking our [calendar](#).
