16K994 Reinspection

Compliance Date: Not Specified

Not In Compliance

Reference - HSC

Inspector Comments: A reinspection was conducted on this date per managers request. This reinspection was conducted to verify compliance of hot water in multiple handwash sinks in the facility. The following handwash sinks lacked hot water during the previous routine inspection:

- two handwash sinks in mens restroom
- two handwash sinks in womens restroom
- two handwash sinks in kitchen

At the time of reinspection, there was a lack of hot water in the facility and a billable re-inspection will be required. See violation comments for details.

Description: Reinspection conducted at this time to determine compliance from prior inspection.
