Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

#### 16K994 Reinspection

Compliance Date: Not Specified

Not In Compliance

Reference - HSC

**Inspector Comments:** A reinspection was conducted on this date to follow up on vermin infestation. Operator showed proof of pest control invoices and stated pest control had visited prior to inspection. Observed Dewey sticky traps throughout the facility. Operator stated all hole and cracks asked to be sealed and repaired from last inspection visit had been corrected.

Observed the following vermin activity throughout the facility:

- Two(2) adolescent German cockroaches near the cooking line
- One (1) nymph German cockroach near the drink dispenser
- Two(2) German cockroach eggs under front lobby snack area and under table near the ice machine
- One (1) adult german cockroach peaking out from corner of the ceiling

Eliminate all signs of cockroach infestation, clean and sanitize all infected areas. Ensure facility is maintained free of vermin.

A follow up billed re-inspection will be conducted at a later date.

**Description:** Reinspection conducted at this time to determine compliance from prior inspection.

#### 16K054 Permit Suspension

Compliance Date: Not Specified

Not In Compliance

Violation Reference - HSC - 114409, 114405

**Inspector Comments:** The permit will remain suspended at this time.

You are hereby notified that your health permit is temporarily suspended due to an active cockroach infestation.

All evidence of cockroach activity must be eliminated from the facility prior to re-opening.

Call Environmental Health served at 1-800-442-2283 for a reinspection prior to re-opening the facility.

**Violation Description:** If an imminent health hazard is found, an enforcement officer may temporarily suspend the permit and order the food facility immediately closed. (114409, 114405)
