Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

16K994 Reinspection

Compliance Date: Not Specified

Not In Compliance

Reference - HSC

Inspector Comments: A reinspection has been conducted on this date to verify compliance with the front display cold holding unit.

At time of complaint investigation on 1/04/19, the display thermometer for the cold holding unit was observed at 44F and potentially hazardous food items, such as milk, were observed at temperature ranges of 43-44F.

On 1/05/19, the Operator has provided valid proof of the front display cold holding unit holding at temperature ranges of 41F and below with a display thermometer place inside the front of the cold holding unit and a measurement of a milk carton that was stored inside the cold holding unit.

The facility is now in compliance with their display cold holding unit.
No further action required.

Description: Reinspection conducted at this time to determine compliance from prior inspection.
