Compliance Date: Not Specified

Not In Compliance

Reference - HSC

Inspector Comments: This complaint alleges that this facility has an active cockroach infestation.

Upon inspection, it was observed that this facility does, in fact, have an active cockroach infestation. All stages of live German cockroaches were observed within the kitchen in multiple places. Multiple dead German cockroaches were observed throughout the kitchen area as well.

Description: A complaint report has been received by Environmental Health.

Overall Inspection Comments

This facility must remain closed until all cockroaches have been eliminated from this facility.

When all cockroaches have been eliminated from this facility, contact this department for a follow up inspection for re-opening.

If at that time, cockroaches are observed within this facility, this facility will be order to remain closed and a charged inspection will ensue.
