### RETAIL FOOD PROTECTION - Public Eating PI (25-99 Seats)

Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

#### 16K994 Reinspection

Compliance Date: Not Specified  
Not In Compliance  
Reference - HSC

**Inspector Comments:** The purpose of this visit was to conduct a follow-up inspection to determine compliance regarding vermin.

**FINDING(S):**

The manager stated that following:

- Has not seen any live or dead rodents in the facility recently.
- Eliminated all rodent droppings from the facility and sanitized all affected areas.
- Removed clutter and unused hookahs from the hookah lounge room.
- Fullshield Incorporated provided pest control services on 3/19/21.

**OBSERVATION(S):**

- No live or dead rodents anywhere in the facility.
- Slight old rodent droppings under the storage rack that is located outside of the janitor closet.
- Slight old rodent droppings under the storage rack that is located adjacent to the back door.
- Slight old rodent droppings under the soda machine that is located in the kitchen.
- The manager eliminated all rodent droppings and sanitized all affected areas at the time of inspection.
- No gaps/openings in the kitchen or storage areas.
- No clutter in the hookah lounge room.
- The manager provided the most recent pest control service report (3/19/21). The report indicated that one (1) dead rodent was removed from the attic and all access points, including pipes, roof, attic, and vents were sealed.

**RESULT(S):**

No further action required at this time.

**Description:** Reinspection conducted at this time to determine compliance from prior inspection.

#### 16C023 No rodents, insects, birds, or animals

Compliance Date: Not Specified  
Not In Compliance  
Violation Reference - HSC - 114259.1,  
114259.4, 11425

**Inspector Comments:** Observed the following:

- Slight old rodent droppings under the storage rack that is located outside of the janitor closet.
- Slight old rodent droppings under the storage rack that is located adjacent to the back door.
- Slight old rodent droppings under the soda machine that is located in the kitchen.

The facility shall be kept free of vermin.

Note: The manager eliminated all rodent droppings and sanitized all affected areas at the time of inspection. Corrected onsite.

**Violation Description:** Food facility shall be kept free of vermin: rodents (rats, mice), cockroaches, flies. (114259.1, 114259.4, 114259.5) Live animals are not allowed in a food facility unless, food employees with service animals may handle or care for their service animal if they wash their hands as required or persons who are licensed pursuant to Chapter 11.5 of Division 3 of the Business and Professions Code. (114259.4, 114259.5)
