Violation Reference - HSC

**Violation Description:** Violation(s) observed pose an immediate threat to public health and safety and the health permit to operate is hereby suspended and ordered closed until the listed violation(s) have been corrected and verified by DEHS. Facility is to remain closed until permission from DEHS is given. Contact your inspector at your local office to schedule a reinspection to reinstate the health permit. Posted closed, do not move, hide, or remove sign.

#### 16K994 Reinspection

Compliance Date: Not Specified

Inspector Comments: A follow up inspection was conducted this date due to Environmental Health receiving notification that 8 more confirmed cases of salmonella.

Not In Compliance

Reference - HSC

**Description:** Reinspection conducted at this time to determine compliance from prior inspection.

### Overall Inspection Comments

A follow up inspection revealed that 8 more cases of Salmonella have been confirmed.

After discussion with the Environmental Health Program Manager, Division Chief, and the Public Health Officer, it was determined that the camp must close and campers must be relocated or sent home. An agreement was made that all exposed campers would be quarantined until arrangements have been made to relocate or return home. The camp director stated that they would immediately start making arrangements to send the campers home.

No food is to be prepared at the facility. Cease and desist all food preparation. All food must be obtained from an approved outside source only.

An follow up inspection will be conducted on July 10, 2016 for further investigation.
