Compliance Date: Not Specified

Not In Compliance

Reference - HSC

Inspector Comments: Complainant stated that on 7-26-15, a burger combo was purchased and eaten from this facility. Within an hour food borne illness signs were alleged.

Description: A complaint report has been received by Environmental Health.

Overall Inspection Comments

Upon inspection, the following was observed:

Management was aware of this complaint at this time.

No food handler working at this facility has reported in sick to work within the last two weeks.

Food and all other supplies are received three times a week from Vitco Food Service-10660 Mulberry Ave., Fontana, CA.

The front hand was sink was observed to not have paper towels within an approved dispenser. At the beginning of this complaint investigation, no soap was observed at the back hand wash sink. This was corrected immediately. Multiple soiled wiping towels were observed lying out on food prep and non-food prep food surfaces. Other than some minor cleaning issues, all other food handling issues were observed to be in compliance.

A Manager's Food Safety Certification was observed on site and all food handler certifications were available for all employees.

Case closed.
