RETAIL FOOD PROTECTION - Public Eating PI (0-24 Seats)

Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

16K992 Permit Reinstatement

Compliance Date: Not Specified

Not In Compliance

Reference - HSC

Inspector Comments: Observed this food facility, Panda Wok was closed for business and "Notice of Closure" was posted on the front window next to the entrance at the time of this inspection.

On Thursday, 06/13/2019, the plan check inspector observed a sewage backup from floor sink under the kitchen stove burners at this food facility, Panda Wok during plan check inspection. This food facility, Panda Wok, was closed, and the health permit was temporarily suspended at that time.

After thorough inspection of this food facility, observed no sewage backup from any sinks and cleaned and sanitized all floors.

This food facility was observed to be in a clean and sanitary condition.

The health permit for this facility was reinstated on this date. The notice of closure sign was removed on this date.

The letter grade "A" was posted on front window next to the entrance. This food facility, Panda Wok, may open to public.

Description: The health permit to operate is hereby reinstated and facility may open.

16K994 Reinspection

Compliance Date: Not Specified

Not In Compliance

Reference - HSC

Inspector Comments: This reinspection was conducted to determine compliance of the sewage backup at this food facility, Panda Wok. The reinspection was conducted at the request of the operator.

On Thursday, 06/13/2019, the plan check inspector observed a sewage backup from floor sink under the kitchen stove burners at this food facility, Panda Wok during plan check inspection. This food facility, Panda Wok, was closed, and the health permit was temporarily suspended at that time.

On this date, after thorough inspection of all sinks, observed no sewage backup from any sinks. Observed all liquid waste properly drained to sewage at the time of this inspection.

The manager stated all floors including affected area were cleaned and sanitized.

Ensure to drain all liquid waste to an approved fully functioning sewage disposal system at all times.

Description: Reinspection conducted at this time to determine compliance from prior inspection.
