Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice,

See the following pages for the code sections and general requirements that correspond to each violation listed below.

16K992 Permit Reinstatement

Compliance Date: Not Specified

Not In Compliance

Reference - HSC

Inspector Comments: The health permit to operate is hereby reinstated and the facility may open.

Description: The health permit to operate is hereby reinstated and facility may open.

16K994 Reinspection

Compliance Date: Not Specified

Not In Compliance

Reference - HSC

Inspector Comments: The purpose of this visit was to conduct a request reinspection to verify compliance regarding sewage backup that was observed on 10/14/22.

FINDINGS:

The manager stated the following:

- According to the plumbers, the sewer lines were not clogged.
- The 3-compartment sink wastewater line was rerouted to the floor sink that the warewashing machine drains into.
- The floors and all affected areas were cleaned and sanitized.
- After the plumbing work, water was left running at the 3-compartment sink, preparation sink, and the hand sink. No sewage backup from either of the floor sinks.

OBSERVATIONS:

- The water was left running at the 3-compartment sink, preparation sink, and the hand sink. No sewage backup from any of the floor sinks in the kitchen.
- The 3-compartment sink wastewater line draining into the floor sink that the warewashing machine drains into.
- The water was left running at the hand sink located at the front station. No sewage backup from the floor sink.
- No floor drains in either of the employee/customer restrooms. Toilets functional.
- No sewage backup from the janitorial sink (directly connected to sewer).

RESULTS:

No further action required at this time. The health permit to operate is hereby reinstated and the facility may open.

Description: Reinspection conducted at this time to determine compliance from prior inspection.

16K051 Plan Review

Compliance Date: Not Specified

Not In Compliance

Reference - HSC - 114380

Inspector Comments: Observed no floor drains in either of the employee/customer restrooms.

Description: A person proposing to build or remodel a food facility shall submit plans for approval before starting any new construction or remodeling of any facility for use as a retail food facility. (114380)
