Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice,

See the following pages for the code sections and general requirements that correspond to each violation listed below.

16K999 Complaint Inspection

Compliance Date: Not Specified

Inspector Comments: Environmental health received a complaint on 08/29/2022 stating the facility has bugs inside their food.

Reference - HSC

Questioned the person in charge(PIC) regarding the complaint, who stated they were unaware. Per the PIC, they have pest control service the facility monthly and were expecting to be serviced tomorrow. PIC is unsure of where the complaint came from, as they have not seen any bugs inside the facility. No pest control reports were made available during time of inspection.

Upon inspection, observed:

- No bugs seen inside the food
- No vermin seen inside the kitchen area
- Vermin seen in prepackaged area of the facility. See routine inspection report for more details.

Maintain the facility free of vermin at all times.

Facility is in compliance. Complaint closed.

Description: A complaint report has been received by Environmental Health.

Overall Inspection Comments

A routine inspection was conducted on this date.

FREE Classes to L.E.A.R.N!

Liaison Education And Risk Network (L.E.A.R.N.) is a FREE class based on the fundamentals of Active Managerial Control and the Centers for Disease Control and Prevention's five risk factors that lead to foodborne illnesses. Find out when the next L.E.A.R.N. class is by checking our [calendar](#).
