**RETAIL FOOD PROTECTION - Public Eating PI (25-99 Seats)**

**16K999 Complaint Inspection**

**Compliance Date:** Not Specified  
**Not In Compliance**  
**Reference - HSC**

**Inspector Comments:** The division of Environmental Health received a complaint on 6/18/15. Complainant stated that he and his family observed cockroaches in the display case, on the counters, and on the walls, at the facility on 6/14/15.

PIC stated that they had not recently received any similar complaints and have not recently observed any cockroaches in the facility. PIC also stated that they have a regular pest control service, Craig & Sons, but was unable to provide receipts.

Observed no signs of cockroaches in the facility. Observed build up coffee grounds behind the reach in refrigeration unit under the espresso machine. Observed excess debris under front keg refrigeration units. Observed excess crumbs and food debris in pastry display case. Ensure to clean and maintain floors throughout facility as well as the display case in order to avoid pests.

There is no need for additional inspections regarding this complaint at this time.

**Description:** A complaint report has been received by Environmental Health.

**Overall Inspection Comments**

No summary comments have been made for this inspection.
