**RETAIL FOOD PROTECTION - Public Eating PI (25-99 Seats)**

Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

### 16K992 Permit Reinstatement

**Compliance Date:** Not Specified  
**Inspector Comments:** Due to elimination of vermin, permit reinstated and facility may open for operation.

**Description:** The health permit to operate is hereby reinstated and facility may open.

### 16K994 Reinspection

**Compliance Date:** Not Specified  
**Inspector Comments:** Reinspection conducted on this day as follow-up to complaint investigation conducted 3/26/20. On that day, live mice as well as live and dead cockroaches, including egg casings, were observed in facility. Operator was advised to remove all evidence of vermin, to clean and sanitize all affected areas, and to take all precautionary measures to prevent future infestations.

During reinspection, evidence of all live vermin observed removed from facility. Pest control invoice receipt dated 3/27/20 was observed, with treatment for rodents and roaches indicated. Holes/gaps observed sealed. Grease and food debris observed removed from floors, including all areas of kitchen and maintenance storage area containing water heater. All surfaces, food and nonfood-contact, observed cleaned and sanitized. Approximately 10 roaches observed dead in corner of maintenance storage room. No live or dead roaches observed in and area of food preparation or storage. Manager advised inspector pest control will begin servicing facility twice per month.

**Description:** Reinspection conducted at this time to determine compliance from prior inspection.

**Due to elimination of vermin, facility may open and permit reinstated.**
