### RETAIL FOOD PROTECTION - Public Eating PI (25-99 Seats)

Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice,

See the following pages for the code sections and general requirements that correspond to each violation listed below.

#### 16K992 Permit Reinstatement

Compliance Date: Not Specified

Not In Compliance

Reference - HSC

**Inspector Comments:** The health permit is hereby reinstated and the Notice of Closure sign has been removed. The facility may now reopen the facility to the public.

A follow up inspection will be conducted in a week to verify that facility is no longer experiencing any active vermin infestations

**Description:** The health permit to operate is hereby reinstated and facility may open.

#### 16K994 Reinspection

Compliance Date: Not Specified

Not In Compliance

Reference - HSC

**Inspector Comments:** A follow up inspection was conducted on this date to verify that facility is no longer experiencing active vermin activity.

Findings:

- Person in charge was able to provide pest control invoices
- Person in charge stated that last date of service was 7/7/21

Observed the following:

- One dead cockroach behind the Universal Molin mini reach in cold holding unit.
- One dead cockroach on the shelving in the front server station
- Rodent droppings on a plastic bag holding food plates inside of the dry storage area

The health permit is hereby reinstated and the Notice of Closure sign has been removed and a Facility Under Review sign was posted. The facility may now reopen the facility to the public.

A follow up inspection will be conducted in a week to verify that facility is free of vermin

**Description:** Reinspection conducted at this time to determine compliance from prior inspection.

#### 16C023 No rodents, insects, birds, or animals

Compliance Date: Not Specified

Not In Compliance

Violation Reference - HSC - 114259.1, 114259.4, 11425

**Inspector Comments:** Observed the following:

- One dead cockroach behind the Universal Molin mini reach in cold holding unit.
- One dead cockroach on the shelving in the front server station
- Rodent droppings on a plastic bag holding food plates inside of the dry storage area

Clean and sanitize areas and maintain facility free of vermin.

Note: After a thorough search of the facility no other vermin activity was observed.

**Violation Description:** Food facility shall be kept free of vermin: rodents (rats, mice), cockroaches, flies. (114259.1, 114259.4, 114259.5) Live animals are not allowed in a food facility unless, food employees with service animals may handle or care for their service animal if they wash their hands as required or persons who are licensed pursuant to Chapter 11.5 of Division 3 of the Business and Professions Code. (114259.4, 114259.5)
