RETAIL FOOD PROTECTION - Public Eating PI (100-Up Seats)

Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

16K999 Complaint Inspection

Compliance Date: Not Specified
Not In Compliance
Reference - HSC

Inspector Comments:

Environmental health received a complaint that the facility does not have hot water and that the dishes are not properly cleaned.

Explained nature of complaint to manager on site at time of inspection.

Observed maximum hot water of 95F in the sinks through out the facility.
Immediately provide a minimum hot water temperature of 120F in at least one sink in the facility.
Corrected. Operator corrected water temperature to provide hot water at 125F through out the facility.

Observed warewashing machine operating per manufacturers requirements.

Observed employee able to demonstrate proper warewashing and sanitizing procedures.

Description: A complaint report has been received by Environmental Health.
