#### 16K994 Reinspection

Compliance Date: Not Specified

Not In Compliance

Reference - HSC

**Inspector Comments:** This is a requested reinspection by management to verify compliance of a critical violation noted on the last inspection on 12/03/2018. It was noted on the last inspection that there was evidence of a vermin infestation in facility, specifically rodent droppings.

The following areas were observed on this date:

- below all cooking equipment
- below all prep tables
- inside all utensil storage containers
- inside all food storage containers
- all restrooms
- all front counter cupboards and shelving
- perimeter of dining area and kitchen
- water heater storage area
- dry storage area

After a thorough investigation throughout facility, there were no rodent droppings observed on this date. Facility may open.

**Description:** Reinspection conducted at this time to determine compliance from prior inspection.
