Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

#### 16K993 Re-Reinspection

Compliance Date: Not Specified

Not In Compliance

Reference - HSC

**Inspector Comments:** PURPOSE:

A billable re-inspection was conducted on this date, per the operators request. It was noted during the routine inspection and last re-inspections that the facility had an infestation of cockroaches. The operator stated that the infestation has been corrected and they believe that they are ready to reopen.

Observation:

Observed no signs of an active cockroach infestation during time of inspection. The operator was able to provide past receipts for current pest control treatments. Operator was advised to clean and sanitize all equipment prior to re-opening.

OUTCOME:

Permit has been re-instated. A follow up inspection will be conducted in one week to observe continued compliance, failure to comply will result in billed follow up inspections and possible closure of the facility.

**Description:** Billable re-reinspection conducted at this time to determine compliance from prior reinspection.

#### Overall Inspection Comments

On this date, a grade "A" card was posted.

Permit has been re-instated. A follow up inspection will be conducted in one week to observe continued compliance, failure to comply will result in billed follow up inspections and possible closure of the facility.
