TIME IN 3:04 PM	TIME OUT 4:04 PM	FACILITY ID FA0022608	RELATED ID PR0029847	PE 1621	SERVICE: 003 - INSPECTION - FOLLOW UP INSPECTION RESULT: 05 - CORRECTIVE ACTION / FOLLOW UP REQU ACTION: 15 - PERMIT REINSTATED / FACILITY RE-OPEN

RETAIL FOOD PROTECTION - Public Eating PI (25-99 Seats)

Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

16K992 Permit Reinstatement

Compliance Date: Not Specified

Not In Compliance

Reference - HSC

Inspector Comments:

During this reinspection, no live vermin infestation was observed. Critical violation regarding vermin infestation has been corrected at the time of this inspection. The health permit to operate is hereby reinstated and facility may re-open.

Description: The health permit to operate is hereby reinstated and facility may open.

16K994 Reinspection

Compliance Date: Not Specified

Not In Compliance

Reference - HSC

Inspector Comments:

A reinspection was conducted on this date per operator's request.

Facility was closed during most recent routine inspection due to cockroach infestation. Facility operator/owner has stated that the affected areas are cleaned and sanitized, and the facility is and free of vermin.

During this reinspection, no live vermin infestation was observed. Critical violation regarding vermin infestation has been corrected at the time of this inspection. The health permit to operate is hereby reinstated and facility may re-open.

A re-inspection will be conducted within a week of this inspection to determine compliance. Any signs/evidence of past/current live vermin infestation will result in facility closure.

Observed old grease buildup on pipings behind cooking equipment at the front cook's line.

Observed grease buildup on base coving and floor under storage racks in rear storage area

Observed grease residue on walls under three compartment ware-washing sink, food prep sink, and hand washing sinks in the kitchen.

Observed old grease buildup under refrigeration drawers at the front cook's line

Observed old grease buildup under fryers at the front cook's line

Observed trash, stagnant water, and residue in cabinet under fountain soda dispenser at the time of this inspection.

Clean and sanitize all of the above mentioned areas and equipments so as to be in a clean and sanitary condition.

Observed line fridge by the front cook's line has not been repaired (built-in thermometer reading 62F degrees) at the time of this inspection. Do not use this line fridge until it is repaired, and rechecked by San Bernardino County EHS.

Description: Reinspection conducted at this time to determine compliance from prior inspection.

Overall Inspection Comments

A grade "B" placard was posted on facility's front window. Do not remove, hide, and/or tamper placard.
