Reference - HSC

Inspector Comments: PURPOSE:

A follow up inspection was conducted on this date to observe compliance with violations noted during the complaint inspection.

PREVIOUS VIOLATIONS:

During the complaint inspection, the following items was noted:

- Multiple dry rodent droppings were observed within the metal cabinet located below the soda machine dispenser at the customer sale area
- (1) to (2) dry rodent droppings located on the flooring below the coffee machine located right of the cash register

OBSERVATIONS:

1) On this date, the following was observed:

- Flooring below the coffee machine to be clean and free of rodent droppings
- (2) dry rodent droppings on top of a dusty box stored within the metal cabinet below the soda machine dispenser at the customer sale area
- After a thorough search of the facility, observed no sighting of active infestation vermin
- Per manager, the most recent pest control inspection as conducted on 12/3/2021

OUTCOME:

Clean and sanitized the affected areas in an approve manner. Maintain and keep the facility free of vermin.

Eliminate all vermin and evidence of vermin from this facility including but not limited to rodents.

A follow up inspection will be conducted on 12/21/2021 to verify the facility is clean, sanitized, and free of rodent droppings.

Failure to comply may result in facility closure or future billable follow up inspections.

Description: Reinspection conducted at this time to determine compliance from prior inspection.
