This Division received a complaint stating that earlier this month, ten gnats were observed inside the front counter bakery display case at Dolce Cafe & Bakery. Per Dolce Cafe & Bakery this complaint has been logged by the management team.

Per management, the gnats were observed at the bakery display case and the impacted food was removed from sale. The display case was immediately cleaned and sanitized.

At time of inspection conducted today, observed front counter display case free of insects / gnats.

Observed no gnat activity at front counter area.

Observed no gnat activity at bar area.
