RETAIL FOOD PROTECTION - Public Eating PI (100-Up Seats)

Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

16K999 Complaint Inspection

Compliance Date: Not Specified

Inspector Comments: Environmental Health received a complaint stating complainant ordered fish and chips, and fish tasted like it was old with frostbite, and fries had rotten taste.

Reference - HSC

Discussed nature of complaint with person in charge who is not aware of complaint.

Employee stated fish and fries are both delivered and stored frozen until ready to use; no thawing conducted.

Frozen fish stored in walk-in-freezer and reach-in freezer at cooks line observed not frostbitten and in good condition.

Fish and fries are both cooked from frozen when ordered; no hot holding conducted.

Complaint closed.

Description: A complaint report has been received by Environmental Health.

Overall Inspection Comments

No summary comments have been made for this inspection.

FREE Classes to L.E.A.R.N!

Liaison Education And Risk Network (L.E.A.R.N.) is a FREE class based on the fundamentals of Active Managerial Control and the Centers for Disease Control and Prevention's five risk factors that lead to foodborne illnesses. Find out when the next L.E.A.R.N. class is by checking our [calendar](#).
