**Overall Inspection Comments**

An investigation was conducted regarding the health permit status of Yucaipa Market. A notice was received from the Department of Alcoholic Beverage Control stating that a transfer of ownership has occurred on 3-11-15. New owner was informed that a Transfer of Ownership form must be submitted to Environmental Health Services within 60 days of the date of transfer and that a new health permit must be obtained to reflect the change. Per new operator, the facility is still operating under the previous owner because the sale is still in escrow and the transfer is not yet complete. Follow up will be conducted to verify status of transfer. Provided operator with Transfer form for when process is complete.
