Facilities that received one or more of the following will be elevated to a high risk tier:

- A score letter of "C" or lower on one of the last two graded inspections,
- A score letter of "B" on two of the last three graded inspections,
- Repeated "four (4) point violation Risk Factor" (critical violation codes 1-23) on the last two inspections, or
- Four (4) or more critical violations (codes 1-23) noted during an inspection, or
- A permit suspension (closure) on your last graded inspection.

**Food Establishment Donor Survey**

Will you please take a few moments of your time to complete our [Food Establishment Donor Survey](#)? The purpose of this survey is to learn about current food recovery and food waste reduction efforts and struggles throughout San Bernardino County.

The feedback from the survey will help us identify barriers and opportunities, and connect you with nearby charitable feeding organizations so you can donate your surplus food. Once you complete the survey, you can view your entry and connect with other donor food establishments and charitable feeding organizations in the following [Live Web Map](#).
