### RETAIL FOOD PROTECTION - Public Eating PI (25-99 Seats)

Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

#### 16K995 Permit - Suspension

Compliance Date: Not Specified

Not In Compliance

Violation Reference - HSC

**Inspector Comments:** The facility is hereby closed due to no potable or hot water. When ready for a re-inspection please contact the health department at (800) 442-2283. A closure sign has been posted. Do not remove and or relocate the closure sign. Do not reopen the facility until a re-inspection has been conducted and approval from health department has been granted. Health permit is hereby suspended due to no no potable or hot water.

**Violation Description:** Violation(s) observed pose an immediate threat to public health and safety and the health permit to operate is hereby suspended and ordered closed until the listed violation(s) have been corrected and verified by DEHS. Facility is to remain closed until permission from DEHS is given. Contact your inspector at your local office to schedule a reinspection to reinstate the health permit. Posted closed, do not move, hide, or remove sign.

#### 16K999 Complaint Inspection

Compliance Date: Not Specified

Reference - HSC

**Inspector Comments:** Environmental Health received a complaint stating the restaurant has no running water available and is still open and serving food. Upon inspection it was observed there is currently no running water throughout the facility and kitchen staff was currently preparing plates of food. Employee stated the water was turned off at around 12:30pm. At time of visit there was a plumber on site fixing the pipe. Plumber stated the old gate valve cracked and he replaced with a new ball valve.

**Description:** A complaint report has been received by Environmental Health.

#### 16K021 Hot and cold water available

Compliance Date: Not Specified

Not In Compliance

Violation Reference - HSC - 113953(c), 114099.2(b)

**Inspector Comments:** It was observed there is no running water throughout the facility.

Provide hot and cold potable water at all sinks throughout this facility. Water must reach a temperature of at least 120 F.

**Violation Description:** An adequate, protected, pressurized, potable supply of hot water and cold water shall be provided at all times. (113953(c), 114099.2(b) 114101(a), 114189, 114192, 114192.1, 114195)

#### Overall Inspection Comments

A "Closure Sign" was posted on this date and the facility health permit was suspended.
