### RETAIL FOOD PROTECTION - Public Eating PI (0-24 Seats)

Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

#### 16K993 Re-Reinspection

Compliance Date: Not Specified  
Not In Compliance  
Reference - HSC

**Inspector Comments:** Charged re-reinspection conduction on this day to confirm successful elimination of cockroach infestation was accomplished.

During re-reinspection, one live nymph cockroach observed in sandwich unit (turned off due to currently being closed), and one live adult cockroach on floor beneath steam table portion of sandwich unit. Accumulation of food debris observed on floor, against coving, behind feet of sandwich unit. Clean all food debris to eliminate vermin attractants. Food facility shall be maintained free from vermin at all times.

Food facility shall remain closed due to active cockroach infestation observed during re-reinspection. Additional billed re-reinspection required to ensure vermin elimination prior to operating.

**Description:** Billable re-reinspection conducted at this time to determine compliance from prior reinspection.

#### Overall Inspection Comments

Food facility shall remain closed due to active cockroach infestation. Contact EHS at 800-442-2283 to schedule additional billed re-reinspection to verify cockroaches have been eliminated prior to opening for operation.

#### FREE Classes to L.E.A.R.N!

Liaison Education And Risk Network (L.E.A.R.N.) is a FREE class based on the fundamentals of Active Managerial Control and the Centers for Disease Control and Prevention's five risk factors that lead to foodborne illnesses. Find out when the next L.E.A.R.N. class is by checking our [calendar](#).
