16K999 Complaint Inspection

Compliance Date: Not Specified
Not In Compliance
Reference - HSC

Inspector Comments: During my complaint inspection, I spoke with the manager who is aware of complaint (CO0055585). He stated the reason for the complaint about the dining area being dirty is due to a gentleman who tracked toilet paper out from the toilet facility into the dining area. The mess was cleaned up immediately after it occurred. I observed a clean dining area along with clean ceiling fans throughout the facility. I also observed the food served here to be not abnormally greasy. Food is cooked with lard/oil and has melted cheese, giving the appearance of grease. Based on this complaint inspection, this complaint could not be justified.

Description: A complaint report has been received by Environmental Health.
